Winterization Services to be performed **Call 573-374-1733 if you would like any additional services performed (impeller, engine oil, lower unit oil, etc.)**

I would like (please initial)	Service to be performed: (winterizations include draining cooling system, heat exchanger and raw water pump, checking antifreeze in heat exchanger on closed cooling systems, flushing raw water passages with marine antifreeze, and fuel treatment)	Estimated Labor Cost**
	Outboard Winterization	\$110.00 **
	Personal Watercraft Winterization/Single Engine Jet Boats	\$110.00 (twin jets-\$215.00)**
	Single Engine Stern Drives	\$110.00 **
	Twin Engine Stern Drives	\$215.00 **
	Water System (winterizes fresh water pump, water heater, ice maker, all fresh water related systems)	\$50.00 **
	Air Conditioning	\$50.00 **
	Generator (drain water pump and heat exchanger, flush raw water passages with marine antifreeze, and testing antifreeze in heat exchanger)	\$110.00 **
	Head System	\$30.00**

\*\*Estimated Labor Costs does not include service call, materials (fuel stabilizer, antifreeze, etc.), or sales tax.

Location of keys to boat and lift or lift lock combination: \_\_\_\_\_ (**\$35.00 charge for no keys**)

Winterize my boat after: \_\_\_\_\_ (**We must have power to dock!**)

For your protection from freezing, it is recommended that you have your boat scheduled for winterization by October 31. All service is done first come, first serve. If freezing weather sets in before your scheduled winterization date we will do everything possible to get your boat winterized but assume no responsibility for damage.

**Please note the following: Holding tanks MUST be empty, fuel tanks should be as empty as possible, All freezable items (alcohol, food, drink, etc) should be removed prior to winterization, Batteries will be disconnected to prolong battery life when possible (we will not be responsible for dead or low batteries in spring). Any engine that has been turned over after winterization will no longer be guaranteed! Any boat we do not summerize will not be guaranteed (Summerization is NOT included in these prices).**
